The Academic Job Search

phd.stanford.edu

From "Piled Higher and Deeper" by Jorge Cham, www.phdcomics.com

This talk will cover the main elements of the academic job search process: assembling the application package, timeline for preparation, determining the set of jobs to apply to, and different types of interviews. The talk will be based on personal experiences, tips from useful websites, and relevant entries from PhD Comics.

Wednesday, February 10th, 2016

3:00pm to 4:00pm
