- Unless specified otherwise, oral comprehensive exams will be held in EV 5.251
- A time-slot marked with X indicates that it is not available.
- It is supervisors' responsibility to schedule the oral exam date within the above time frame.
- Once the date and time of the oral comprehensive exam has been confirmed with the committee members, the supervisor needs to send this information via an E-mail message to Dr. Ahmad (omair@ece.concordia.ca), who will then reserve the spot on the schedule.
- The oral comprehensive examination has two rounds of questions. The first-round questions may arise from the candidate's performance in the written part; whereas the second round consists of questions that go beyond the written part while still remaining within the scope of the syllabus.
